We're going through changes

by Lyn McGinnis

We are at a new location in 1995! We will be meeting in Donna Gordon's and Alain Corchesre's home. It is in **Unit 57** in the **Green Valley Woods** townhouse complex, at **165 Green Valley Drive** in Kitchener. It is one block east of Homer Watson Boulevard off Pioneer Drive. If you are driving, turn at Pioneer Drive opposite the Pioneer Park Plaza. The townhouses are on the left after the large apartment buildings. There is free parking on Green Valley Drive. Once parked, follow the drive way in and to the right, unit 57 is at the end of the roadway.

If you are taking the bus, you would need to get the Number 10 for Conestoga College at Fairview Park Mall. The bus turns onto Green Valley drive from Pioneer Drive and stops at a large shelter. You then cross the street and the townhouse complex is just ahead. If you have any questions, call our **NEW PHONE LINE 895-██████████**. While it will continue to have a recorded message, there will also be very

dedicated CKWBL members who will answer your calls much of the day and some evenings! They deserve a medal, or something even better!

LINGERIE PARTY!

On **Saturday, January 7**, we'll start the new year with a bang! Look for the details in our ad on page three.

Continued from Page One

January will be the only month we will not have a regular discussion night. This special event is a great way to celebrate our new meeting space.

Come out to the **Lingerie and Lounge Wear Show** on January 7, and have a good time with friends in a secure, Bi-friendly home! We will continue to meet at this location in the following months for our discussion night.

After experimenting with published themes and handouts, we are going to return to our earlier format of general discussion, with some material available as a fallback.

It was agreed by members that a set program did not always meet the needs of members on a given night. **Our meeting times will be: Monday, February 6, March 6, April 3 and May 1. Meetings begin at 7:30 p.m. at our new meeting location.**

We hope this new setup will suit more members, some not being familiar with the university and others traveling from Cambridge. Summer meetings and events will be announced in the next newsletter.

COUNSELING?

You will notice along with additions to our resource list, we are now providing on request a partial list of Bi-positive professionals, including counselors and therapists.

Such a resource is necessary because cultural homophobia and biphobia oppress us to the point some members of CKWBL are still very frightened about meeting for a discussion night at a public location.

We hope the change of venue to a private home will help alleviate some of that anxiety.

Being bisexual in a heterosexist society is difficult. Sometimes we need more help coping with the stress than can be provided in a general discussion night.

Support can take many forms. Anyone having questions about this or any other item on the list is invited to call the phone line. We hope the availability of such information, along with sympathetic physicians and lawyers, will add another stone to the foundations of a strong, healthy, vibrant and LIBERATED bisexual community.

WANNA DANCE?

by Donna [REDACTED]

We are going to start dancing again this winter! Every third Saturday of the month starting at 9:00 p.m., all CKWBL disco bunnies and other assorted good timers will gather at CLUB RENAISSANCE at 24 Charles Street West in Kitchener. The club is across the street from the bus terminal. Get out your dancing shoes on Saturday, January 21, February 18, April 15 and May 20! What you say? We missed March? Not a chance! We have something special planned!

ROCKY RETURNS!

March 1, 1995, will be CKWBL's SECOND BIRTHDAY! We will celebrate with a ROCKY HORROR PICTURE SHOW PARTY at our new home location on Saturday, March 18 starting around 10:00 p.m. Who said Halloween is the only time we can do the Time Warp? For Rocky Horror Virgins, there will be a mailing closer to the date explaining the mysteries of this unique event.

Ignore previous newsletters!

by Lyn McGinnis

One year ago Volume One, Number One of the CKWBL newsletter came to your door. In May 1994 you received your Volume Two (?), Number Two (?) edition, and last September you received your Volume Two, Number One edition! Okay, I'll say it - I screwed up! Happy?

Many thanks to the eagle eyes who noticed this silly mix up. Please take out your three beloved, cherished and dog-eared copies of Volume One. On the one dated May 1994, change Volume Two, Number Two to Volume One, Number Two. On your September 1994 edition, it should say Volume One, Number Three.

THIS IS IMPORTANT! We wouldn't want to mess up some archivists' or historians' head a century from now trying to write the early history of the emerging bisexual community in Canada, now would we?
