

**Bisexual, Gay and Lesbian
Awareness Days**

November 20 to November 22

GLOW

A healthy attitude towards sexuality is an important part of life. The Gay and Lesbian Liberation of Waterloo is working to promote a healthy attitude towards sexuality. This is the reason for holding the Bisexual, Gay and Lesbian Awareness Days.

We are proud of who we are and what we are.
We are proud of where we are going and what we do.

Help us celebrate by joining in the activities and supporting the work of GLOW so that we may continue even stronger in the future!
