

B. G. L. A. D. (Bisexual, Gay and Lesbian Awareness Days)

October
28th, 29th & 30th
1991

Never go Straight, Always go Forward!

Bisexual, Gay and Lesbian Awareness Days is an event intended to raise awareness of issues which affect the Lesbian and Gay community. As well, this event is designed to discuss and analyse homophobia and heterosexism. Throughout these days we hope to communicate with as many students, staff, and members of the community of Guelph as possible.

• Shawn Lucas

For a long time gay men and lesbian women felt compelled and were compelled to keep their orientation quiet, "in the closet" prisoners of economic and societal pressure, repressive laws, and frequently personal apologies of doubt and guilt.

In the last two decades this has changed, as a powerful movement for lesbian and gay liberation emerged to assert that their sexual liberation emerged to

assert that their sexual orientation was every bit as good as heterosexuality.

Though much remains to be done, this movement has been a powerful force in changing societies attitudes and in sweeping away legal and other barriers denying equality to gays and lesbians.

Bisexual, Gay and Lesbian Awareness Days were made possible with donations from University of Guelph Student Affairs Office, Central Student Association, College of Arts, College of Social Science Student Government, University Bookstore and was further enriched with the assistance of the Women's Resource Centre, The Peak, The Ontario, Guelph Arts Council, Guelph Gay and Lesbian Equality, OPIRG, The Co-op, Aids Committee of Guelph and Wellington County and the entire CSA Staff particularly CSA Graphics, Louise, and Shawn Lucas, V.P. Operations. A special thank you goes out to Derek Fletcher, MPP for Guelph for extending a welcome from the NDP and Derek's Legislative assistant Virginia Wislon who has been extraordinarily helpful.
