**LET IT END HERE**

There is NO place for hate in the world

**MATTHEW SHEPARD 1976 - 1998**

*"A person as caring and loving as our son Matt would be overwhelmed by what this incident has done to the hearts and souls of people around the world. Matthew was the type of person that if this had happened to another person, would have been the first on the scene to offer his help, his hope and his heart."*

*Dennis Shepard,  
Matt's Father*
