During this song participants are asked to pick up candles and proceed outside.

A candle light walk across campus, in memory of those whom we have lost as a result of hate crimes, will follow the ceremony.

Hate crimes affect us all – harassment happens everywhere, including on our campus. This event is dedicated to those who suffer when hatred and intolerance go unchallenged, with hope for a future that holds peace, safety, and equality for all.

"Never doubt that a small group of thoughtful committed citizens can change the world, indeed, it is the only thing that ever has."

~ Margaret Mead
