Community Resources

SPECTRUM maintains a directory entitled **Community Resources**. We are currently searching for additional resources that we think members of the community might find useful. Please let us know of any ideas that you have by writing jimparrott@sympatico.ca

We are also preparing a print/printable version of the information in this directory—retaining every entry, but condensing each one to a manageable form. We plan to publish the first edition of this directory to coincide with **SPECTRUM's 2nd Anniversary Open House**, to be held on October 5, 2014. We are calling this directory
